

LOST EDT / IBT LEARNERS LOGBOOK

If you have lost your EDT or IBT learner logbook you should do the following:

- Report the loss to your local Garda station
- Complete the form below and ensure it is stamped and signed by the Gardai
- Return the completed form to:

**Driver Education Section,
Road Safety Authority,
Moy Valley Business Park,
Primrose Hill, Ballina,
Co. Mayo, F26 V6E4.**

When we receive your completed form we will mark your lost logbook as inactive but **please note that:**

You do not need and will not receive any correspondence from the RSA in relation to this and you can continue with your training and obtain a replacement logbook.

You will need to:

- Let your ADI know that you have lost your logbook.

Your **ADI** needs to provide you with a new logbook and does not need any correspondence from the RSA to do this so you can continue with your training without any delay.

Replacement fees for this logbook are discussed between you and your **ADI** directly.

If you are doing EDT sessions we would advise you to check your **MYEDT account** on a regular basis to make sure that your completed EDT sessions are added by your **ADI**. If there are any errors with the number of training sessions or the dates listed, please contact the **ADI** who delivered the EDT session (if different to your current one).

Yours sincerely,
Driver Education Section
